Subject: Leviathan Mine - 2017 Annual Road Operating Plan
[2017 Road Operating Plan final.pdf](#)

Ken,

On behalf of Atlantic Richfield, please find attached to this email an electronic copy of the 2017 Annual Road Operating Plan. The Annual Road Operating Plan was prepared to support ongoing U.S. Environmental Protection Agency (U.S. EPA) required Removal Action (RA) and Remedial Investigation (RI) activities at the Leviathan Mine Site (site) located in Alpine County, California. The Annual Road Operating Plan has been prepared in accordance with the U.S. Department of Agriculture (USDA) Forest Service Road Use Permit which was re-issued to Atlantic Richfield by the Forest Service on July 16, 2013. A hard copy of this plan was sent to your office and should be arriving soon.

If you have any questions regarding this submittal, please feel free to contact me at the phone number below or Tony Brown at (657) 529-4537.

Thanks,

Mike Johnson, PE
